DO THE RIDE THING

We love riding this route and to keep our good relationship with local landowners and other path users we ask you to follow the advice below:

- Let other path users know you are coming as early as possible.
- Please watch your speed, especially on blind corners and dips.
- Please take extra care near wildlife and leave the environment as you find it.
- Help land managers and others to work safely and effectively. See 'Route Specifics'.
- Check the weather forecast and ensure you have all the equipment you need for your route.
- If you are in any doubt please pop into one of our cycle centres for advice!
- The route description and quality of path may change over time so please remain flexible with your plans and be ready to use alternative routes. Correct at time of print Jan 2014.

ROUTE SPECIFICS

- Note there are short, linking sections on public B roads and residential streets.
- Please be aware that this route passes through open farmland, please respect livestock and leave any gates as you find them.
